

XI. CODE OF ETHICS

The members of the board (the "Board") of the City of Yonkers Industrial Development Agency (the "Agency"), a duly established public benefit corporation of the State of New York (the "State"), along with the officers and staff of the Agency, shall comply with and adhere to the provisions of Article 18 of the General Municipal Law of the State.

Further, no director, officer, or employee of the Agency shall (1) accept other employment which will impair his or her independence of judgment in the exercise of his or her official duties; (2) accept employment or engage in any business or professional activity which will require him or her to disclose confidential information which he or she has gained by reason of his or her official position of authority; (3) disclose confidential information acquired by him or her in the course of his or her official duties nor use such information to further his or her personal interests; (4) use or attempt to use his or her official position to secure unwarranted privileges or exemptions for himself, herself or others; (5) engage in any transaction as a representative or agent of Agency with any business entity in which he or she has a direct or indirect financial interest that might reasonably tend to conflict with proper discharge of his or her official duties; (6) not, by his or her conduct, give reasonable basis for the impression that any person can improperly influence him or her or unduly enjoy his or her favor in the performance of his or her official duties, or that he or she is affected by the kinship, rank, position or influence of any party or person; (7) abstain from making personal investments in enterprises which he or she has reason to believe may be directly involved in decisions to be made by him or her or which will otherwise create substantial conflict between his or her duty in the public interest and his or her private interest; and (8) endeavor to pursue a course of conduct which will not raise suspicion among the public that he or she is likely to be engaged in acts that are in violation of his or her trust.

Directors and employees shall not accept or receive any gift or gratuities where the circumstances would permit the inference that: (a) the gift is intended to influence the individual in the performance of official business or (b) the gift constitutes a tip, reward, or sign of appreciation for any official act by the individual. This prohibition extends to any form of financial payments, services, loans, travel reimbursement, entertainment, hospitality, thing or promise from any entity doing business with or before the Agency.

Implementation of Code of Ethics

This Code of Ethics shall be provided to all directors and employees upon commencement of employment or appointment and shall be reviewed annually by the Governance Committee.

The board may designate an Ethics Officer, who shall report to the board and shall have the following duties:

- Counsel in confidence Agency directors and employees who seek advice about ethical behavior.

- Receive and investigate complaints about possible ethics violations.

- Prepare an investigative report of their findings for action by the Executive Director or the board.
- Record the receipt of gifts or gratuities of any kind received by a director or employee, who shall notify the Ethics Officer within 48 hours of receipt of such gifts and gratuities.

Penalties

In addition to any penalty contained in any other provision of law, an Agency director or employee who knowingly and intentionally violates any of the provisions of this code may be removed in the manner provided for in law, rules or regulations.

Reporting Unethical Behavior

Employees and directors are required to report possible unethical behavior by a director or employee of the Agency to the Ethics Officer. Employees and directors may file ethics complaints anonymously and are protected from retaliation by the policies adopted by the Agency.
